KFEIRIAN SONG

We'll take a K for good ole Kindness  
We'll take an F for Fellowship  
We'll take an E for all their Efforts  
We'll take an I for Initiative, initiative  
We'll take an R for they are Righteous  
We'll take an I for Interest too, for interest too  
We'll take an A for they're good Americans  
We'll take an N for they are Neat, They're really neat,  
And then we'll put them all together with some water and some glue  
Put them all together, they're Kfeirian, the brotherhood  
For me and you.
