FATIMA'S GOSSIP COLUMN

\*\*\*\*\*

Fatim was so happy to see so many of you folks came in early Friday to visit with one another. Frank and Janet Zakem from Prince Edward Island, Tom and Twila Abourezk, from Rapid City, SD, and June Blevins were having a good laugh in a corner of the ballroom. Dancing to the beat of the disco music provided by the hot GREG HANNA we saw Cheryl, and James Slater along with Paul and Jeanette Cantees McCoy, Rodney and Winona McCoy cutting a rug..I mean their feet could not help themselves but move. REBECCA SAAD helping Greg with Arabic music, there were more people doing the dubkee. Harry and Mary Francis McCarus Zegger let no grass grow under their feet. Next to them were Mitchell and Linda Mickel. They don't call Mitch crazy legs for nothing. He was dancing next to coz Dr.Diane Michael of Ft. Lauderdale Fl. I mean to tell you they were doing a mean dubkee, I think it was the one hump camel step. Ernest Thabet and Jo Ann Thabet were in there too.

RED ALERT\*\* RED ALERT Who was that good looking girl that Michael Bofysil was after.... Waddad, you better watch out.. Do I hear wedding bells??? Until next time,SALAMI on you.
